DR. NORMAN KING

The Stephen Jarislowsky Chair in Religion and Conflict

“TOWARDS A SPIRITUALITY OF FORGIVENESS AND HEALING”

Our spirituality can be seen as the vision and values by which we shape our life story. One key issue concerns how to understand the limitations, mistakes, and wrongs, done either to us or by us, that are scattered throughout our lives. Based upon the foundational value of the sacredness of the human person and of all that is, we shall try to outline a perspective on forgiveness and healing.
