Statement from the Assumption University Board of Governors on the occasion of the passing of Dr. Lois Smedick

The Board of Governors of Assumption University wishes to acknowledge the passing of Dr. Lois Smedick and convey our condolences to her niece and nephews and to all whom Dr. Smedick touched in her life. Lois was truly a Renaissance woman in terms of her many interests and accomplishments, and most especially in her service to the communities in which she lived. We remember with special gratitude her service to Assumption University, initially as a member of its faculty and more recently as Chair of the Board of Governors (2008-2012).

We firmly believe that Lois has passed from this life to the fullness of life given by the Lord whom she so generously and faithfully served. May she rest in peace.
