An evening with... **Claire Bondy**

**"CALLED TO ACCOMPANY:  
HOW TO DRAW YOUNG PEOPLE BACK INTO  
THE LIFE OF THE CHURCH"**

When He encountered the two disciples on the road to Emmaus, "Jesus himself came near and went with them, but their eyes were kept from recognizing him." This presentation will explore how this encounter between Jesus and his followers can and should be the model for drawing young people back into the life the Church. It will further explore how this accompaniment is the work of the all those they encounter; parents and grandparents, ushers and lectors, priests and pastoral ministers. Each of us is called to walk along the path with the young church, whether they are sitting in the pews every week or have wandered in a different direction. Come and be inspired to be a beacon of hope for the young people in your life.
