Assumption University is proud to announce that Chrisandra Skipper is taking on the role as Director of Campus Ministry.

Chrisandra Skipper is from Essex, Ontario and is a graduate of the University of Windsor. She has been working with Campus Ministry since 2013.

Serving as Outreach Coordinator for Campus Ministry she has enjoyed her time building relationships with students and supporting their faith journey while at school. She is excited to continue that work while leading the Campus Ministry team to serve the University of Windsor campus as best they can!

In 2018 Chrisandra and her husband welcomed their first child into the world and she values her role of wife and mother as her primary Vocation. She also loves football, crochet, and pizza!

Chrisandra believes that faith-filled people will radiate joy in all aspects of their lives. She hopes that by exemplifying this and encouraging students to live a life of hope and joy, others may be drawn to know more about God's mercy and love.
